GREEN CARD LOTTERY APPLICATION

Please type or write in clear and legible print and return this application with 2 digital photos (See below) of the applicant and his/her spouse(if applicable) and each child(if applicable) (size of photo: 2 inches [50mm] square) and the signature of each adult applicant in your family. To file this on time, I MUST RECEIVE THE APPLICATION NO LATER THAN Friday, November 27, 2009. On the application, please note that, with very few exceptions, your native country is your country of birth (see page 3 for notes on basic eligibility). The fee is \$50 for each applicant. The U.S. Government will award 55,000 Green Cards to randomly selected persons. The fee only includes the cost of attorney assistance in filing your lottery application and the cost of notifying you by mail that it has been properly filed and then of the results when all winners are announced by the end of July 2010. The government will grant DV-2011 visas between October 1, 2010 and September 30, 2011. If otherwise qualified, a husband and a wife may each submit one application for registration. If either one wins the other could claim derivative status at the time of the green card application. Note: the spouses may not sign for each other, i.e. the husband must sign his application and the wife must sign hers. If a child has met the requirement of a high school education at the time of entry registration he can apply on his own application.

Photographs:

- Each applicant must submit a digital photograph (image) for the Application.
- **Please email your digital photographs to the email address at the top of this page. Please label each photo in the subject line of the email so that I may identify the subject of the photo.**
- **FAILURE TO ENTER THE CORRECT PHOTOGRAPH OF EACH INDIVIDUAL IN THE CASE INTO THE E-DV SYSTEM WILL RESULT IN DISQUALIFICATION OF THE PRINCIPAL APPLICANT AND REFUSAL OF ALL VISAS IN THE CASE AT THE TIME OF THE INTERVIEW.** You must submit electronically recent photographs of the applicant and his/her spouse and each child under 21 years of age, including all natural children as well as all legally-adopted and stepchildren, even if a child no longer resides with you or you do not intend for a child to immigrate under the DV program. You do not need to submit a photo for a child who is already a U.S. citizen or a Legal Permanent Resident. Group or family photos will not be accepted; you must submit a separate photo for each family member.

Each applicant, his/her spouse, and each child will therefore need a computer file containing his/her digital photo (image) which this office will submit on-line with the EDV Entry Form. The Applicant can produce the image file either by taking a new digital photograph or by scanning a photographic print with a digital scanner.

If the submitted digital images do not conform to the following specifications, the system will automatically reject the EDV Entry Form and notify the sender.

- The image must be in the Joint Photographic Experts Group (JPEG) format.
- The image must be in 24-bit color (black and white, grayscale or monochrome images will not be accepted)
- If a new digital photograph is taken, it must have a resolution of 600 pixels wide by 600 pixels high, and a color depth of 24-bit color.
- If the Applicant scans a photographic print, the print must be 2 inches by 2 inches (50mm x 50mm) square. It must be scanned at a resolution of 150 dots per inch (dpi), with a color depth of 24-bit color and a maximum image file size of 240 kilobytes (240KB).
- The maximum image file size accepted will be two hundred forty kilobytes (240 KB).

If the submitted digital images do not conform to the following specifications, the entry will be disqualified:

- Applicant, spouse, or child must be directly facing the camera; the head of the person being photographed should not be tilted up, down or to the side, and should cover about 50% of the area of the photo.
- The photo should be taken with the person being photographed in front of a neutral, light-colored background. Photos taken with very dark or patterned, busy backgrounds will not be accepted.
- Photos in which the face of the person being photographed is not in focus will not be accepted.
- Photos in which the person being photographed is wearing sunglasses or other paraphernalia which detracts from the face will not be accepted.
- Photos of applicants wearing head coverings or hats are only acceptable due to religious beliefs, and even then, may not obscure any portion of the face of the applicant.
- The U.S. Department of State will not accept the following:
 1. Photos of applicants with tribal or other headgear not specifically religious in nature are not acceptable.
 2. Photos of military, airline or other personnel wearing hats
